12<sup>th</sup> September 2019

Kingston & Elmbridge Junior Snorkellers Club

### Heinke Trophy Results 2019

Adjudication of the entries for the Heinke Trophy 2019 has now been completed and I can advise that Chester is this year's winner of the Trophy.

We have however awarded Kingston & Elmbridge Junior Snorkellers Club a **Certificate of Commendation**.

We are planning to present the Certificate on Saturday 26<sup>th</sup> October at the BSAC Diving Conference. Please can you let us know if the Branch can be represented at this ceremony?

The Adjudicators understand that your Branch will be disappointed at not winning. We would though like to thank you and the Branch for submitting an entry and appreciate the enthusiasm and understand the hard work needed in its preparation.

When reading your application, clearly we know that the Heinke aimed more at Scuba diving branches, the following were identified as very positive:

- That you actually applied and created a very well presented and positive submission
- Financial regeneration of the club
- Purchase of a Zodiac Inflatable named Milly
- Good programme of Open Water Training events. Over 100 wetsuits for members use
- Good publicity at reception at the Palace of Westminster with MP Dominic Raab
- Part of organizational team to develop the World Record attempt
- Three Grant Awards – Aviva Skill for Lifesaving/Cash4clubs/British Heart Foundation
- Excellent, organised club

We hope you and your branch members continue to enjoy good and safe snorkelling for the remainder of the year.

Yours sincerely,

Phil Harrison MBE  
Adjudicator Heinke Trophy
